A Course In Miracles

By Jim

I will not read one star reviews of spiritual teachings ever again. When will those tormented and angry people learn that Truth is packaged differently for all His beloved children? Do we all like broccoli, meat or escargot? Yet, we must find something to feed ourselves. Therefore, nourish your souls with the abundance that God has set before you. Sing loud and joyfully from mountain tops when you discover a delectable feast at the Lord's table, and lovingly support your hungry brothers and sisters who dine with you. After all, does your brother's distaste for avocados change the savor of the fruit in your mouth? Remember, today they may despise avocados and tomorrow be singing with you.
