BEHIND THE MASK: ENTER A WORLD WHERE WOMEN MAKE - AND BREAK - THE RULES BY EMMA SAYLE PDF

A true story of sex, seduction and the pursuit of pleasure.

Welcome to a world where women make – and break – the rules. An underground club notorious for parties wilder than 50 Shades of Grey; a place where, behind elegant masks, your innermost desires can be unleashed...

Emma Sayle is an ordinary girl: raised in a stable home, she had a happy childhood and has a steady boyfriend. She runs a business organising parties. But Emma has a naughty secret.

These are no ordinary parties.

Decadent, hedonistic and held at secret locations, these parties offer a world of desire and indulgence, focused on female pleasure. These are places where anything can happen. Keeping herself strictly out of the heat of the action, Emma is thrilled to see every night grow wilder, more extravagant and more popular. Risking her reputation to run such a business certainly paid off.

But things are about to change – and the consequences could be catastrophic.

Emma has learned that her boyfriend is cheating. With a club member. Her world has begun to unravel...

Soon the parties – and Emma's life – are in serious danger of spiralling out of control. In this whirlwind of passion and uninhibited desire, can there ever be any hope of finding Mr Right?

Growing up she went to the BEST schools and made some very close

By Kim Muhl

Behind the Mask is a true story, a memoir, by Emma Sayle and her secret life. Emma grew up in an ordinary family with a doting mother and father and two siblings. She never really wanted for anything, but she craved her father's attention. Growing up she went to the BEST schools and made some very close, long-lasting friendships. Upon adulthood, she took a boring office job until she was invited to attend a wedding where it was anything but ordinary. Guests left their inhibitions at the door and explored each other with passion and anonymity. Realizing that most sex clubs, companies, movies, etc, are run by men for men, Emma created Killing Kittens – a club where women make the rules and men must be invited to participate. She hosts monthly parties where guests must be members and they must wear a mask to be allowed entry. At these parties the guests can choose how or if they want to participate – by watching, touching, and doing.

While business is flourishing, Emma's personal life is anything but. She finds out the man she has been seeing has also been seeing a fellow club member. Her father leaves her mother for a much younger woman, draining their joint bank account to lavish the new woman with gifts. When she does find someone to be with, things find a way to fall apart. Eventually, she is beaten and abused by a man she trusted and begins to question what she does wrong.

Eventually, the parties start to spiral downward and things aren't going as well as they once were. Emma's entire life takes a turn for the worse and she is not sure how to handle it all.

I found this book to be incredibly sexy and very interesting. The Killing Kittens goings on are very graphic – like reading a really good erotic romance novel! It's almost hard to believe that these things are based on real life, yet they are and probably happen more often than not in today's world. The things the author has been through and the way she built up her company, all while not "playing" during the parties is fascinating and admirable. This book reads more like an erotic romance than a memoir, which is great at holding the reader's attention. I enjoyed it a lot and am glad I gave it a try.

Great book

By Amazon Customer

This isn't your average plot line or character for romance/ erotica. Overall, well written and interesting characters. There were a few things that I wish were elaborated on and am hoping there will be a sequel.
