A little gem of a book: great as a holiday gift for yourself...or others!

By MB

I'm not usually drawn to books that are "inspirational," but I spotted this National Geographic book at a holiday gift fair and was immediately drawn to its sunny cover. Once I opened it, I was completely hooked: each page features a gorgeous Geographic photo paired with a well-chosen quote from a notable person. If you have only a brief moment in your day to stop and be inspired, this book allows you to do that. Turn to any single page and you'll be, as the cover states, uplifted. But trust me: you'll want to settle down with a cup of coffee or tea and page through this little gem of a book for awhile, to remind you of how much beauty and wisdom there is in our world. And, of course, it's great to support a nonprofit as worthy as National Geographic.

A Daily Joy.

By Charis, Everton AR

Truly beautiful photography and thought provoking succinct quotations. I have been waking up to the news and found myself upset about matters I cannot undo and people I cannot comfort. Waking up now to music and this fine inspiring book gives me a fresh perspective. I began this November, the end of the year and I think it could be picked up on any day. A treasure I hope others will enjoy too.

A WELCOME SURPRISE

By kristy Bean

This is an easy read, uplifting-not the usual flowery boring type, but thoughtfully well written quotes/thoughts for the day-it surprised me-spectacular photographs-so I would say, if you want something to touch you without being the usual things that are out there-this is it!
