Review

"Gardner's presents a narrative that runs like a thread of unity through the text."

"I examined the options, and found Gardner's to be the best in giving the students the best images and the clearest discussion of both style and historical context."

"What I particularly like about the Gardner is its flexibility for a variety of pedagogical/methodological/thematic approaches, which is due to the depth of its coverage of certain very pivotal figures/moments/issues in western art history."

About the Author

Fred S. Kleiner (Ph.D., Columbia University) is the author or co-author of the 10th, 11th, 12th, 13th, 14th, and 15th editions of GARDNER'S ART THROUGH THE AGES: A GLOBAL HISTORY, as well as the 1st, 2nd, and 3rd editions of GARDNER'S ART THROUGH THE AGES: A CONCISE HISTORY, and more than 100 publications on Greek and Roman art and architecture, including A HISTORY OF ROMAN ART, also published by Cengage. When really feeling burnt out of consistently talking with your friends all spare time, you can discover the book entitle Gardner's Art Through The Ages: The Western Perspective, Volume II (with Art Study & Timeline Printed Access Card) (Gardner's Art Through T and then review it.

Why ought to be this e-book *Gardner's Art Through The Ages: The Western Perspective, Volume II (with Art Study & Timeline Printed Access Card) (Gardner's Art Through T* to check out? You will never ever get the understanding and encounter without managing on your own there or attempting by yourself to do it. Hence, reading this e-book Gardner's Art Through The Ages: The Western Perspective, Volume II (with Art Study & Timeline Printed Access Card) (Gardner's Art Through T is required. You can be great and also proper sufficient to obtain just how essential is reading this Gardner's Art Through The Ages: The Western Perspective, Volume II (with Art Study & Timeline Printed Access Card) (Gardner's Art Through T Also you always check out by obligation, you can sustain on your own to have reading book habit. It will certainly be so helpful and also enjoyable after that.

But, exactly how is the method to obtain this publication Gardner's Art Through The Ages: The Western Perspective, Volume II (with Art Study & Timeline Printed Access Card) (Gardner's Art Through T Still puzzled? No matter. You could take pleasure in reading this e-book Gardner's Art Through The Ages: The Western Perspective, Volume II (with Art Study & Timeline Printed Access Card) (Gardner's Art Through T by on the internet or soft documents. Simply download and install guide Gardner's Art Through The Ages: The Western Perspective, Volume II (with Art Study & Timeline Printed Access Card) (Gardner's Art Through T in the link given to go to. You will obtain this Gardner's Art Through The Ages: The Western Perspective, Volume II (with Art Study & Timeline Printed Access Card) (Gardner's Art Through T by online. After downloading and install, you can save the soft data in your computer or kitchen appliance. So, it will certainly reduce you to review this book Gardner's Art Through The Ages: The Western Perspective, Volume II (with Art Study & Timeline Printed Access Card) (Gardner's Art Through T in certain time or place. It could be unsure to enjoy reviewing this e-book Gardner's Art Through The Ages: The Western Perspective, Volume II (with Art Study & Timeline Printed Access Card) (Gardner's Art Through T, considering that you have bunches of task. However, with this soft data, you can delight in reviewing in the leisure even in the spaces of your jobs in workplace.

GARDNER'S ART THROUGH THE AGES: THE WESTERN PERSPECTIVE, VOLUME II (WITH ART STUDY & TIMELINE PRINTED ACCESS CARD) (GARDNER'S ART THROUGH T PDF

As fascinating as a real visit to the world's famous museums and architectural sites, GARDNER'S ART THROUGH THE AGES: THE WESTERN PERSPECTIVE gives you a comprehensive, beautifully illustrated tour of the world's great artistic traditions--plus all the study tools you need to excel in your art history course! Easy to read and understand, this 13th Edition of the most widely read history of art book in the English language is the only textbook that includes a unique "scale" feature (accompanying the book's photographs of paintings and other artworks) that will help you better visualize the actual size of the artworks shown in the book. Three levels of review including extended image captions, "The Big Picture" overviews at the end of every chapter, and a special global timeline will help you study for your exams. You'll also find materials that will help you master the key topics quickly in the ArtStudy Online (a free interactive study guide that includes flash cards of images and quizzes).

Excellent Survey Book

By wabbit

Been using this book for 5 years now with my AP students. It is thorough and easy to read. I can't say that it's always a "fun" journey, but compared to other texts I've read, it packs a ton of useful contextual information in very digestible parts. Several of my students have told me that they've learned more about world history from this book and class than any of their other history classes combined! The images are of exceptional quality with excellent supplemental information in each chapter. The timeline fold out is great, but I've never really checked out the accompanied CD. If I had my drothers, I would drop a few 20th century artists and add a few others, i.e., Pierre Bonnard, Ad Reinhardt, Richard Diebenkorn Richard Estes, Beth Murray and Sean Scully to name a few. Considering that this is not the latest edition, it is a bit pricey new, but good used versions seem to show up on here at pretty affordable rates.

Almost perfect, but needs some study guide

By Komerican

A great presentation of Christian art throughout the ages. My only issue is that other history books at this particular level tend to have either end-of-chapter quiz questions to help review or another decent study guide by the same author for sale. This textbook omits that for a graduate level feeling of a textbook (meaning it lacks any extra guidance beside the written information), although it was incorporated into undergraduate level classes at Azusa Pacific University this fall 2013 semester. I would appreciate that the next edition of this art history textbook to address this study guide issue.

Beautiful book

By RecurringDream

Yes, this book is expensive... But it's worth every penny. I bought this book because I had to for my Art History class. My campus bookstore had a crappy three-hole-punch, loose-leaf version for about the same price so it was a no-brainer for me to upgrade to this hardback version instead.

The care that has gone into the writing and presentation of this book is amazing. It presents the history of art (and architecture) from the first cave paintings up until modern day. The online component ("ArtStudy Online") of this book is well worth utilizing, it has videos that expand upon the book topics, and high-quality zoomable images that feature relevant works of art the author couldn't squeeze into the book, plus easily accessible glossaries (with pronunciations) for every chapter.

I bought this book knowing nothing about art history and I've learned an incredible amount. The book presents the information very clearly. The pictures are crisp and clear and almost every image has a scale

next to it so you can understand how big the art is.

This book is huge. It's 1088 pages and weighs a lot and is a work of art in itself! I'll be keeping this on my bookshelf long after my courses are over.
