Maria Simma speaks with Nicky Eltz. "Dear reader, What you are now holding is a most interesting book. The world beyond is speaking. It is offering advice, asking for help, and giving answers. It exists and speaks about life - our life here and of possible consequences of our behavior. It tells us that it is not the same to be humble, loving, good, merciful, loyal and honest as it is to be proud, loveless, bad, merciless, betraying and dishonest. At death this is not forgotten but rather remembered in total clarity. Not only is the punishment, or better yet the cleansing, spoken about; but also the length of this cleansing and so very much more!! ...all personal doubts disappeared once I too had met and spoken with Maria Simma. She is true..." Fr. Slavko Barbaric, OFM Published By: The Medjugorje Web - <http://www.medjugorje.org>

The Truth of Purgatory

By Melanie Cruz

Excellent and theologically informing documented book. The humble pictures of Maria Simms lends upmost credibility to her stories. How many of us really take seriously Purgatory? How many of us ever get to actually speak to suffering souls on the "other side?" Here is one who did, did not necessarily want to, but was asked to by God and she said "yes," and did so until her death. Upon reading this book, it could only make one want to try harder to cooperate with God's holy will so as to get to Heaven and possibly sidestep Purgatory. God is Mercifull!
