She's hot AND cool

Jennifer Lopez's cross-over album is in the top 10. She's the highest paid Latina actress in Hollywood. But she's also incredibly wise and strong. Her secrets to success are intensely insightful. What an inspiration!

review on the finest woman in the world

By A Customer

I've been loving her since she's been a *In Living Color* fly girl, and now, what a break-through, dozens of movies, she's the highest paid Latino star, and she has the #1 single out right now (*If you had my Love*), which has gone platinum. Now, with a book, what else is in store with this hot, sexy Latino actress. Jennifer Lopez has accomplished so much and she is only 29 years of age, she is an inspiration to us all.
