Basic book on Job Satisfaction

By tbombadil

If you're looking for a quick and easy read on job satisfaction, then this is the right book for you. It's relatively short, but provides a core understanding of its topic material. Worked fine for me as one of my resources for my masters thesis. Several other texts and journals use information from this author.

Nice Short Detailed Survey of Research on Job Satisfaction

By Gabriel Roncancio

This is a summary book including a lot of studies on job satisfaction. Found it very broad and interesting, it is written in academic fashion.
