LEFTOVERS: A NOVEL ABOUT FRIENDSHIP, LOVE AND THE POWER OF PASTA BY STELLA NEWMAN PDF

‘A brutally honest tale of life and love (or the lack of it) and an exploration of the heroine’s tremendous affection for food ... Sharp and funny it’s a celebration of why life is more than just falling in love.’ Woman magazine

According to a magazine, Susie is a ‘Leftover’ – a post Bridget-Jones 30 something who has neither her dream man, job, nor home. She doesn’t even own six matching dinner plates.

According to her friend Rebecca, Susie needs to get over her ex, Jake, start online dating – or at least stop being so rude to every guy who tries to chat her up.

But Susie’s got a plan. If she can just make it the 307 days till her promotion and bonus, she can finally quit and pursue her dream career in food, then surely everything else will fall into place. If only her love life wasn’t so complicated...

A sharp, witty and refreshing novel about love, friendship and enjoying what's left on the table.

‘I felt like Susie could be one of my friends and I was rooting for her to get the life she wanted. Like pasta, Leftovers is a true comfort. A delicious read to enjoy with a glass of wine’ Novelicious.com

Left Overs by Stella Newman

By Nikki Bywater

When single Susie Rosen is labelled a 'Leftover' in a magazine feature, basically meaning she is a sad singleton, without her dream job, home and man and best friend Rebecca wants Susie to get over her ex and

start on-line dating again. Could this be the kick-start Susie needs to turn her life around?

I really enjoyed this book, about turning life around and making it work better. I found myself cheering Susie on willing her to be happy and change things. A story told with great humour and wit that I instantly warmed to from the beginning of the book. I really like the cover of this book too, I think it is really pretty the design. This is a book not to be missed and there are some fantastic recipes at the end of the book too.

More than the story....

By Amazon Customer

I love reading and bought my Kindle when I went to Japan for a month and could not stand the thought of being without something to read for so long. The moment I started to read Stella Newman it was so easy, so immediately engaging, that I felt at home. I thoroughly enjoyed her honesty and insight and felt like I'd found a friend, someone I really wish I could invite to dinner. I am scoop looking forward to the next story.
