Lizzie is a young woman who is in love with George, a serviceman. After they are married, Lizzie finds herself living with George's mother and sisters Marey and Janey. The discipline regime in the Baines household gives her a stunning realisation of how infractions are dealt with in this family as she watches Marey and Janey receiving a switching whilst bending over the couch. It isn't long before Lizzie feels the impact of Ma's hairbrush, and later a very stingy switch. Lizzie realises she is seriously enjoying watching the many spankings in the household - but when her husband returns home, it seems he has plans to discipline her himself. Spankings are just part of life in this household.

Old-fashioned discipline!

By Allison

This takes the reader back to a time when family discipline was the norm. I found it an enjoyable tale as seen through the eyes of Lizzie, a newly married Army wife living in her mother-in-law's household. She soon learns about love and discipline in the Baines family as she and her sisters-in-law receive spankings and switchings from all-knowing Ma. Developed characters and lots of disciplinary action are sure to keep readers entertained.

I enjoyed this step back in time by D J Black ...

By clucian

I enjoyed this step back in time by D J Black very much; primarily because of the spankings depicted and the era the book's setting. If you are not interested in spanking, switching, and the 1950's, then you should not purchase this book.

However, if these topics do interests you, it is definitely should be on your "must read" list. I plan on reading it again soon!
