Of course, it will not obligate you to take lots of pages. Merely web page by web page depending upon the time that you have to read Martin Shaw: The Biography By Stafford Hildred, Tim Ewbank

MARTIN SHAW: THE BIOGRAPHY BY STAFFORD HILDRED, TIM EWBank PDF

After making his name as Doyle in *The Professionals* in the 1970s, Martin Shaw's career has gone from strength to strength. Now the star of the BBC hit drama *Judge John Deed*, Martin is also currently treading the boards on the London stage in *A Man for All Seasons*. One of Britain's most popular and versatile actors, Martin has played more than 100 television roles as well as a host of distinguished and critically acclaimed lead theatrical parts. Based on a series of interviews and recollections from famous friends, relatives and co-stars of both stage and screen, this is a revealing and honest portrait of the notoriously reluctant but hugely popular star.

Best Biography I've Read

By Crystal Ann Taylor

I'm a great fan of Martin Shaw's acting and his body of work. This is a great biography of the man and is also the best biography I've read of anyone, because it is done with respect and understanding. As any fan of the series "*The Professionals*" knows, there are some varying opinions on how the actor felt about his most popular job and the insights given here make this book outstanding and well-worth reading for that alone. However, every page was fascinating, even though as a long time watcher of Martin Shaw's work, I know quite a bit about him.

3 of 3 people found the following review helpful.

Martin Shaw fans

By M. O'Brien

For anyone who follows Martin Shaw's career this book is a must read. It is very entertaining with plenty of information on his early years as an actor. Martin Shaw is very versatile and I would love to read an updated biography of his work. Perhaps Tim Ewbank could continue from where he left off as it would be wonderful to read about his rolls in the *George Gently* and *Judge John Deed* series.

A Good Starting Point/ Overview of a Superb Actor and Human Being

By Suzanne Loft

This book is a good starting place to learn about Martin Shaw of British/American stage, screen, and PBS/British television. His

portrayal of Judge John Deed, Detective George Gently, and many other fine characters since the 1960's have been uniquely and superbly delivered to his audiences. Those who appreciate him, will also be interested to learn about his spirituality, his determination, and his deep passion for life. But this book doesn't delve into the private humanity of the actor. Instead, it adequately covers, in sequence, the acting experiences in his life and gives one a good overview of the vastness and variety of the roles he's played. So, I recommend it for those of you who wish to begin their research into his life. I am still waiting for someone to write a more in-depth biography, regarding the more personal side of the man. How did he become the caring, kind, thoughtful human being his behavior over the years has shown him to be? You'll have to go elsewhere for that.
