An Excellent Collection of Aphorisms to Start Your Day...

By Joseph Ratliff

This book delivers exactly what it says, quotes that get your blood moving.

Using an clear and concise aphorism style of writing, Markus gives you a book that contains quotes in 5 distinct areas:

1. Mistakes
2. Money
3. True Self
4. Challenges
5. Community

These aphorisms range from "one-liner" to-the-point quotes, to longer paragraphs. Each is written in his very enjoyable and easy to read style. You can read the whole book in one sitting easily, or you can use it as a "daily motivational" type of guide ... opening one page a day and letting it simmer.

Either way, this book will not disappoint.

NOTE: The author sent me a complimentary review copy of this book in advance.

I read this book for breakfast.

By George Glass

Another solid release from Markus Almond. This book has a generous mix of one or two sentence calls to action and more invoking vignettes, much like his previous releases. What's special is that the intentional universality of the content is still easily relatable to whatever is on your mind when reading, which is great

for those with a head full of thoughts and ideas. I also really appreciate Markus dedicating a chapter to money, a topic that can often get lost in the rush of inspiration.

Markus is pure genius! Ever since I picked up one of his book at my local bookstore I've been hooked! Just the first page brought so many feelings! He's made me smile,cry,laugh and has inspired me. Can't wait for more!
