I didn't assess this buying situation very well...

By LMW

I also searched by ISBN. Eagerly awaiting my textbook, imagine my dismay when , instead of receiving a 10lb enormous hardback book I received a 2 lb paperback spiral bound workbook. Furthermore, I paid \$6.99 in s/h and the book came the last day of delivery. Now I must go purchase another , as I head into the 2nd week of class.

That's what I get for not paying attention to previous reviews.
