Everything can be gained with guide *On Tour With Leonard Cohen* By Sharon Robinson Well briefly, book is really powerful. As what we provide you here, this *On Tour With Leonard Cohen* By Sharon Robinson is as one of reading publication for you.

Review

"The pictures offer a behind-the-scenes view of both the splendor and tedium of life on the road. We see Cohen dropped to his knees, performing to an empty theater during soundcheck. In another shot he's on a tarmac waiting to board a plane, his guitar strapped to his back in a soft case. "

-The Boston Globe

"...captures the enigmatic musician and her longtime collaborator in a series of rare, intimate images"

-Vogue

"Like many of the intimate iPhone shots taken by Robinson over five years while touring with Cohen, they show a singular artist, nearly always in a suit and hat, exploring the world making music."

-The Los Angeles Times

About the Author

Sharon Robinson has been associated with Leonard Cohen since touring with him as a singer in 1979-80. She co-wrote and produced Cohen's 2001 album, *Ten New Songs*, (one of Rolling Stone's "Top 100 Albums of the Decade"), and co-authored the Cohen classics, "Everybody Knows" and "Waiting for the Miracle." A Grammy winning songwriter, Robinson's work has been covered by artists as diverse as Patti LaBelle, Don Henley, Aaron Neville, and Roberta Flack to name a few. Robinson's solo album, *Everybody Knows* (2008), garnered wide critical acclaim, as have her recent performances on the Cohen World Tour. Sharon once worked as the staff photographer at the world-famous Coconut Grove nightclub in Los Angeles. Sharon is currently working on a new album that will be released in early 2015.

Leonard Cohen is one of the most distinguished poets, novelists, and singer-songwriters of our time.

Larry "Ratso" Sloman is one of America's great counter culture writers and contemporary biographers. Bob Dylan referred to Sloman's account of the 1975 Rolling Thunder Revue, *On the Road with Bob Dylan*, as, '...the War and Peace of Rock and Roll.' He has been a friend of Leonard Cohen's for 40 years.

You could download and install the soft data of this amazing book *On Tour With Leonard Cohen By Sharon Robinson* currently as well as in the link given. Yeah, different with the other individuals who try to find book *On Tour With Leonard Cohen By Sharon Robinson* outside, you could obtain less complicated to posture this book. When some people still walk right into the establishment and look the book *On Tour With Leonard Cohen By Sharon Robinson*, you are below only stay on your seat as well as obtain guide *On Tour With Leonard Cohen By Sharon Robinson*.

While the other people in the establishment, they are uncertain to discover this *On Tour With Leonard Cohen By Sharon Robinson* directly. It might need even more times to go establishment by establishment. This is why we mean you this site. We will offer the very best way and also reference to get the book *On Tour With Leonard Cohen By Sharon Robinson* Also this is soft documents book, it will be convenience to lug *On Tour With Leonard Cohen By Sharon Robinson* any place or save in your home. The distinction is that you might not need move the book *On Tour With Leonard Cohen By Sharon Robinson* area to area. You may need just copy to the other devices.

ON TOUR WITH LEONARD COHEN BY SHARON ROBINSON PDF

On Tour with Leonard Cohen documents the wildly successful Leonard Cohen World Tour through the eyes of his friend and longtime collaborator, Sharon Robinson. In 2004 Cohen's manager stole his life savings, forcing him out of planned retirement into what has now become a legendary six-year sojourn.

Sharon Robinson has been associated with Cohen since the Field Commander Cohen tour of 1979-80, first as a singer and subsequently as his co-writer and producer. She was drafted into the current iteration of Cohen's band, The Unified Heart Touring Company, from the onset, and has literally been at his side for over 400 shows. Robinson has captured her experience behind the scenes with the complete freedom afforded her by her unique position.

On Tour with Leonard Cohen is an impressionistic view of what it was like to be on tour with the legendary singer-songwriter poet. Robinson reveals the nitty-gritty of day-to-day life of the road, onstage and behind the scenes, and the chemistry of Cohen and his supporting artists, together on an incredible journey across the globe, their hearts and minds focused on the next show.

Wish I could return it.

By Amazon Customer

Now I am a big fan of Leonard Cohen and Sharon Robinson, but I feel sadly ripped off by the truly poor quality of photos in this book. Maybe some will see them as artsy in a way, but I don't think so. Based on Ms. Robinson's comments in the front of the book, it sounds as if she took the photos with her iPhone, and it shows. Many shots are dark, out of focus, and don't really evoke much of anything about their touring. Also, all the captions are in the back of the book, so you don't know what you're seeing most of the time unless you continually flip. I don't mind seeing someone's amateur trip photos, but for the price, not so much.

Leonard on Tour

By Valerie Tucker

Great photos. Perfect set of pictures to have on my coffee table. It's fun to look at all his different moods!
Leonard Cohen

Is my hero! This is really a good present, but we are keeping it. Sometimes it is just fun to look at the pictures and think about what an interesting life Leonard has had while living for his passion. Music is an amazing gift. Song writing is a gift. Now, he writes books that we love. It was natural that photography would be included. We have many little books that we love about him or that he wrote. This one has amazing pictures.

Don't want to just look at the pictures

By Rimbaud

I expected more than just pictures. I was looking forward to an insightful narrative on touring with Cohen from someone who has been close to him for such an extensive period of time. In saying this I do not want to distract from the quality of the photographs. I really enjoyed the eclectic collection.

Disappointing to find the presentation of this hardcover at this price not up to scratch. Within a couple of days the photograph glued to the front cover began to lift. Poor production for a book at this price don't you think ?
