Anthology?

By Michael D. Glass

Well not really, a short selection of 13 songs dating back to 1967, lots of stuff I wasn't interested in, song books should always have the song list view able so its not a blind purchase, specially true if you going to call it "Anthology" and it's not (shame on Alfred Publishing). Let me open your eyes:

Another Brick in the wall

Arnold Layne

Comfortably numb

Have a Cigar

Hey You

Money

Pigs

Run Like Hell

See Emily Play

Shine on Your crazy Diamonds 5

Time

Wish You Were Here

Young Lust

Was hoping to find more from animals, like Dogs, pigs on the wing but they have a lot of material.

highlights of pink floyd

By jon reque

not a bad anthology there are some other songs that are not in this so a complete anthology this is not. easy to follow and somewhat insightful.

massive detail

By D. SiCiv

I probably needed something simpler, but this has everything there, it's a little overwhelming at first

Quote Amadeus, "too many notes"!
