Stephaney Chambers's temp position isn't quite her dream job, but it pays the bills... just barely. The highlight of her day is riding the elevator in the mornings: she always manages to time it so that she sees the same handsome stranger, her Elevator Man, every day. But the Elevator Man has an interest in her, too, and when she learns that he's the CEO, it could mean more than a new job...

“Here’s how this will work, little temp,” Eliss murmured, his hands untucking her blouse and traveling up and down her hot skin. Her body arched like a cat in response to his touching. “You will do what I say and you will do it exactly how I want it. I always” – here, he nipped at her neck, and she knew he had left a mark – “get what I want.”

“Is that so,” Stephaney panted. She shoved him away, trying to gather a modicum of control in this horrifyingly dangerous situation. His pale hair brushed his long, blonde eyelashes. She felt an ache in her chest, but she shook her head and pushed on. “Who made you the boss?” she said coyly.

Eliss smirked and dipped a hand under her pencil skirt, pushing the hem up to her waist. He found the strap of her thong and shoved the material aside.

“My father, Jason Bensen,” he replied, and pinched her clitoris.

We've All Wished For A Boss Like This One...

By Kindle Customer

If you're aching for amazing erotica, take a chance on this book! It's a rip-roaring wave of lust mixed with

raw BDSM and voyeuristic sex scenes; all to leave you literally dripping with excitement. We've all had that boss... the one who most resembles Ellis (The Elevator Man). I had a certain boss in mind when I read about this power-driven CEO; that one who I wished would have bent me over his knee and delivered a tender, yet harsh, spanking to redden my cheeks in much the same way Stephaney had hers lightly pummeled. This book is a memory-maker with a special spot at the top of my erotic reading list.

This is a short but erotic read. I wish there was a sequel.
