Cross your classic British country manor mystery with the sexual shenanigans of a houseful of queers, and more than just a dead man's body is sure to tumble out of the closet. Lear's lusty homage to the classic whodunit format (sorry, Agatha) is wonderfully witty, mordantly mysterious, and enthusiastically, unabashedly erotic!

—Richard Labonté, "Book Marks," Q Syndicate

It will enhance your expertise, fun, enjoyable, session, as well as encounter without spending even more money. This is why on-line publication The Back Passage By James Lear becomes most wanted.

THE BACK PASSAGE BY JAMES LEAR PDF

Agatha Christie, move over! Hard-core sex and scandal meet in this brilliantly funny whodunit. A seaside village, an English country house, a family of wealthy eccentrics and their equally peculiar servants, a determined detective — all the ingredients are here for a cozy Agatha Christie-style whodunit. But wait — Edward “Mitch” Mitchell is no Hercule Poirot, and *The Back Passage* is no *Murder of Roger Ackroyd*. Mitch is a handsome, insatiable 22-year-old hunk who never lets a clue stand in the way of a steamy encounter, whether it’s with the local constabulary, the house secretary, or his school chum and fellow athlete Boy Morgan, who becomes his Watson when they’re not busy boffing each other. When Reg Walworth is found dead in a cabinet, Sir James Eagle has his servant Weeks immediately arrested as the killer. But Mitch’s observant eye pegs more plausible possibilities: polysexual chauffeur Hibbert, queenly pervert Leonard Eagle, missing scion Rex, sadistic copper Kennington, even Sir James Eagle himself. Blackmail, police corruption, a dizzying network of spyholes and secret passages, watersports, and a nonstop queer orgy backstairs and everywhere else mark this hilariously hard-core mystery by a major new talent.

Gay Agatha Christie

By Charly T. Anchor

Warning: This review might contain what some people consider SPOILERS.

Disclaimer:

* I read books in every genre, but I have a soft spot for romances that are more about feelings than sex. If a book has lots of lust-filled, dispassionate sex, I'm not impressed. If the sex is a manifestation of love, bring it on.

Rating: 7/10

Pros:

- Good plot. Not quite as twisty-turny as an Agatha Christie novel, but close.
- Funny. As in, FUNNY.
- Several likeable characters, if somewhat simple (this contributes to the story's humor).

- Sex scenes that are (and this is unique, from what I've read in m/m erotica, romance, whatever) integral to the plot.

Cons:

- Lots of sex that didn't do it for me. Again, the sex scenes are used as plot devices--and cleverly done--but they are much more graphic than say, those in Alex Beecroft's *Captain's Surrender*, and much less affecting. Why? Because they're just sex; there's very little feeling on the part of either character in any of them.
- Possible SPOILERS here: Tries to be a bit of a romance at the end but fails to create enough backstory between the main character and the other guy to fully succeed. Their sex scene is less than a page, for crying out loud (whereas others with despicable characters are several pages long and quite detailed)!
- I saw a few of the plot twists coming.

Overall comments: Worth reading if you like mysteries and either enjoy or don't mind gay sex, sometimes crudely described. Not for you if you're looking for sweet, tender gay romance.

A good first impression

By Shreata Glass

First book I have read by this author. It was a good mystery rolled up in family drama and hot sex.

Upstairs, Downstairs and a Back Passage

By Foster Corbin

When this little mystery novel opens, Edward Mitchell, a Bostonian pursuing postgraduate studies at Cambridge University, finds himself in a steamy (in more ways than one) closet under the stairs of Drekeham Hall, "a stone's throw from the crumbly cliffs of the north Norfolk coast," with his best friend Harry "Boy" Morgan who has invited him down to meet the English upper class family of his fiancée Belinda Eagle. Although the ostensibly straight, sexy Morgan is engaged to be married, Mitchell wastes no time in his pursuit to bed him. Since this is a murder mystery, someone has to get killed quickly; and he does, a guest named Reg Walworth. Sir James Eagle, MP, Belinda's father, has his servant Meeks arrested for the murder.

Mitchell is addicted to detective fiction; he reads Conan Doyle (his favorite), G. K. Chesterton, Wilkie Collins and a "new writer of promise," Agatha Christie (the novel is set in 1925). He apparently has read Oscar Wilde as well. Of course what this randy young American likes even more than solving real live murders (even though he eventually gets around to solving them), however, is sex with any male that moves. In addition to his trysts with "Boy" Morgan, Mitchell makes it with Sir James Eagle's brother, Leonard, "vampirelike, beautiful, just this side of effeminate," and Officer Shipton, a naive country police officer, et al.

What we have in this novel is at once a comedy of manners pitting the British upper classes against the servant class, a first class murder mystery with the obligatory plot twists and turns and a hooty piece of erotica that is guaranteed to warm the cockles of your heart on a bleak winter evening. I'd also like to have the Eagle family's recipe for rhubarb crumble.
