THE DEVIL'S HORN (A USAF PARARESCUE THRILLER) BY DAVID L. ROBBINS PDF

Inside South Africa's Kruger National Park, ranger Promise discovers the remains of a crashed military drone—and a live missile. Immediately, Promise calls her uncle, Juma, a rhino-poaching kingpin and an illegal arms dealer. With Promise's help, Juma has kept her and her grandparents out of crushing poverty with illicit money.

Alerted US authorities send pararescuemen LB and Wally into the Kruger to secure the crash site. But Juma gets there first and takes the unexploded missile.

This ignites a race to find Juma's camp and then eliminate the evidence before the missile triggers an international incident. LB and Wally must join forces with disgraced Promise and her jaded, dangerous boss, Neels, who wants both Juma and Promise dead. This tense alliance sets out in pursuit of the stolen missile. But how much will Wally and LB be asked to risk so that others may live?

4 of 4 people found the following review helpful.

An action novel for Animal Lovers! Recommended even for the non-military enthusiasts...

By Brady Rall

Very few action novelists have been able to grip my attention the way Robbins does. I have managed to stay with the PJs through their various missions with captivating story-lines and realistic characters. Through the scope of "serve and protect," Robbins brings us very human characters with both endearing and frustrating personality complexes. With illegal animal trafficking and poaching at a high, the topic and breadth of the book covers many aspects of the black market trade, keeping the characters directly connected and giving the reader the license to generate opinions about character and place. Elements of love, greed, and betrayal all percolate on the open savanna.

Another PJ winner by David L. Robbins

By johnhouseauthor

Once again David L Robbins did not disappoint his readers. The Devil's Horn places the readers in the action, allows the use of their own imagination while surrounding them with accurate geographic description. The readers become co-authors using their own input to flesh out the story. Tight writing with eye pleasing phrases are trademarks of Robbins' works. As with the two preceding novels about the USAF Pararescue teams, The Devil's Waters and The Empty Quarter, this latest novel is another winner. Read the entire series and you'll search for all the novels by this talented author.

Gritty insider view of PJ's

By Kindle Customer

An honest view of the possible interface between a war on poachers and governmental political maneuvering. Neither foe deserves sympathy or compassion, as the poachers targets do. A truly enjoyable and enlightening read.
