Why he was considered the master in his own time...

By [Bob_in_MA](#)

A great disservice has been done to O. Henry by anthologists who seem incapable of reading beyond his most hackneyed, sentimental pieces. In his best pieces, his colorful use of vernacular and his ability to capture the spirit of his times is wonderfully entertaining.

If your opinion of O. Henry is based on the horribly saccharine "Gift of the Magi", read some of these stories

and see why he was so appreciated in his time.

Gentle Grafter

By NinaS

These stories are classics. Of course, if you don't like the writings of O. Henry, don't take advantage of getting this collection at no charge for Kindle. Speaking as one who cut her reading teeth on writers like O. Henry, it's a pleasure to have his works on my Kindle.

Plumb enjoyable!

By Pat Black

For a trip backwards to the day when an honest grafter could earn a decent living. Reading a book like this makes me aware of the deficits in modern vocabularies. I got a lot of the word play but missed as much I think. If you don't have a large vocabulary you'll miss most of the fun I think.
