When taking a train, awaiting listing, as well as awaiting somebody or various other, you could review this on the internet publication [The Unquiet Grave By David J Oldman](#) as an excellent buddy once again.

THE UNQUIET GRAVE BY DAVID J OLDMAN PDF

London, 1946.

The war may be over, but the it's devastating effects are not...

Captain Harry Tennant has returned from serving in Italy and North Africa, expecting to be demobbed, only to find his services are still in demand.

A policeman before the war, he's made part of the Intelligence Corps, investigating war crimes.

Mostly he looks into smaller cases of army personnel who are the victims, or perpetrators of crimes.

That's how Rose Kearney's file ends up on his desk.

Her brother William, a soldier with the Hampshire Regiment, was reported missing in action after D-Day. Having heard nothing else since, she's travelling from their home in Wicklow to find answers.

As Harry starts to investigate, he learns Kearney was part of a carrier crew fighting near Caen.

The bodies from Kearney's crew are found near a French chateau, with one appearing to have been executed. But there's was no sign of Kearney.

Reports of Nazi atrocities nearby are leaking out and at first, it seems the men were victims of the ruthless Nazi machine.

But things aren't adding up for Tennant.

Why was Kearney's body never found, and why was an SS officer discovered with the missing man's disks?

Although his superior, Jekyll, wants the death blamed on the SS and quickly wrapped up, the more Harry digs, the more curious he becomes.

He sets out to find answers, but only seems to dig up more questions.

And it's not long before Tennant find himself in grave danger...

Praise for David J Oldman

'Rich with historical detail and mystery, this post-World War 2 thriller is an absolute knockout!' – Tom Kasey, bestselling author of Trade Off

David J. Oldman is a writer and history enthusiast, with a particular interest in First World War military

history.

Intriguing Post WWII historical

By J. Sasse

The Unquiet Grave is not quite a mystery nor a spy novel, but it incorporates elements of both. Captain Harry Tennant's job is to investigate war crimes, not the big cases, but the smaller ones. Most are a matter of form, putting together information from the records of both sides. Oldman is a bit overzealous enumerating the complex movements of troops and the various officers. It is confusing and detracts from an otherwise good story.

Rose Kearney's inquiry into her brother's disappearance is not something Tennant's group would ordinarily handle. There are aspects of the situation that put it in their purview. Two of Kearney's comrades burned to death, but the third was clearly executed. Kearney's remains were not found. Tennant's superiors hope for a quick resolution, attributing the death to some of the German troops in the area. Tennant, however, wants to find the truth and starts asking difficult questions. Questions whose answers may cause more trouble and more danger than anticipated.

As a stand alone novel, The Unquiet Grave is a good mystery - a bit slow and ponderous, but with good characterization and thorough plotting. I might be wrong, but The Unquiet Grave may be the first of a series, providing background for Tennant as he joins the newly formed MI5.

4/5

I received a copy of The Unquiet Grave from the publisher and netgalley.com in exchange for an honest review.

Well done Mr Oldman

By Tripower53

5 stars

It is post-WWII and Harry is a Captain working for a minor war crimes tribunal. England is in a terrible state with the rationing, shortages and unemployment – even a shortage of housing.

He and his team are given a file on a soldier who seems to have vanished. His three comrades are all dead, found at the site of their burned out carrier in France. With the countryside crawling with SS soldiers, the answer seems obvious. Or, is it?

What follows is an interesting and fascinating journey into post-war London and the detailed and intricate investigation into the missing soldier and his fellow soldiers.

What happens comes as a surprise to the reader.

Well researched, well written and steady paced, this novel will stay with you for a long time after you finish it.

I will definitely look into more of David Oldman's books.

Thank you to Netgalley and Endeavour Press for allowing me the opportunity to read this book.
