Amazing! Could not put this book down

By BNKODAY

Amazing! Could not put this book down. Annie Garman writes about her struggles before and after her daughter was born with half a heart. I honestly didn't expect it to impact me and minister to me the way it has. I don't have a child with a heart defect but this year has been a very hard year and at times so burdensome I've wanted to run away. It's been hard to see God working. Annie has reminded me of God's love and care for us. He IS working in those dark times in ways that I don't understand or see now. He IS good. He IS faithful. He has things to teach me. Thank you for being so honest, Annie, about the questions we all have at times about who God is. The truths you proclaim and remind me about God are like water for my weary soul.

Won't be wasting your time

By Amazon Customer

This is an excellent, open, honest book. Annie shares her family's story pointing to Christ as her strength as He is her savior from her own sins first and foremost. As you read this book you will get to know the Garmans well and you will want to cry and laugh with them throughout the pages. It was a pleasure to read. Annie is a very talented writer. I feel this book is for anyone, not just those going through a similar situation. Annie shares truths from God that she has learned during this journey that can encourage others in their walk following Christ.
