Named for Maggie's great-grandfather, the land and charming general store at the crossroads of the Colorado and the Continental Divide Trails have been passed down through the generations and now belong to Maggie's eccentric father, Sully. When she shows up unannounced, he welcomes her with open arms, and she relishes the opportunity to indulge in his simple way of life.

But shortly after arriving, Maggie's world is rocked once again and she must take on more responsibility than she'd planned. Though she's relieved a quiet and serious-looking hiker, Cal Jones, is willing to lend a hand, Maggie is suspicious of this mysterious man's eagerness to help—until she finds out the true reason for his deliberate isolation.

Though Cal and Maggie each struggle with loss and loneliness, the time they spend together gives Maggie hope for something brighter just on the horizon...if only they can learn to find peace and healing—and perhaps love—with each other.

What We Find: A really good story.

By Amazon Customer

Well, this is really a woman's romance book as are all of Robyn Carr's books, I liked it anyway. The story is interesting with some mystery and "down home" characters.

Sweet Reminder - Starting Over

By Doc. Shock

Robyn Carr has a great way of bringing her characters to life. They are always interesting, talented people, a little quirky in fun ways. Cal and Maggie find each other after loss and move forward to a special . Their

families and friends are unique, both simple and complex. It's a fun read.

A wonderful story that includes many people in the community.

By S. Lyall

Can't remember the narration, but it is a wonderful story like all of Robyn Carr's are. I read her stories as fast as she writes them, and love them all- they always include some things that have never happened in my life as well as some things that have indeed happened.
